

OSBORNE™

More feed in the pigs and less wasted with Big Wheel® Feeders

BULK FEEDERS

Big Wheel® Bulk Feeders from Osborne Industries are the perfect fit for outdoor and hoop-building hog production.

- Reduce feed waste
- Durable, rugged design
- No cleaning necessary
- No trough lids needed

TARGET FEED & LABOR SAVINGS

Big Wheel® Bulk Feeders are available in a range of sizes to better meet the needs of your operation.

- Smooth self-cleaning trough eliminates spoilage and keeps feed flowing
- Works well in hoop barns or in outside pens
- Side mounted feed rate gauge keeps feed flow constant
- A money saving choice for all applications

Bulk Feeder Specifications

| Model Number | Capacity bu liters | Trough Diameter in cm | Height in cm |
|--------------|-------------------------|----------------------------|-------------------|
| RO-45 | 45 1,586 | 55.5 141 | 62 158 |
| RO-65 | 65 2,291 | 55.5 141 | 80 203 |
| RO-85 | 85 2,995 | 55.5 141 | 97 246 |
| RO-105 | 105 3,700 | 55.5 141 | 115 292 |

Height includes hopper lids. Add 1-1/2 in. (4 cm) for the optional galvanized steel skid accessory. Each feeder rated to serve up to 90 finishing pigs.
